**ORDER**

**ROBERT W. LEHRBURGER, United States Magistrate Judge.**

This order resolves Defendant's requests at Dkts. 224 and 229 to take judicial notice of certain testimony and court pleadings from other cases. The requests are denied as premature without prejudice. As with Defendant's previous requests to take judicial notice of other matters, the Court will consider any such requests if and when any such information is offered in the context of a particular motion or evidentiary proceeding. (See Dkt. 225.) In the meantime, Defendant is free to proceed with using any such information in support of litigating the case.

SO ORDERED.

A handwritten signature in black ink, appearing to be "R. Lehrburger", written over a horizontal line.
